Opioid Therapy in Acute and Chronic Pain

September 2018 – *The Journal of Clinical Pharmacology (JCP)*

Why is this article important to you?

Learners that complete this course will be able to describe and implement research-based strategies for the safe and effective use of opioids in the treatment of pain.

ACPE Accreditation Statement

The American College of Clinical Pharmacology is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

UAN: 0238-0000-18-038-H01-P – ACPE 1 Contact Hours

Activity Type: Knowledge-based **Format:** Home-study **Target Audience:** 'P'

ACCME
ACCREDITED

ACCME Accreditation Statement

The American College of Clinical Pharmacology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ACCME Designation Statement

The Accreditation Council for Continuing Medical Education designates this journal CE activity for 1 *AMA PRA Category 1™* credit. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Target Audience

Interprofessional team of Physicians, Pharmacists, PhDs, Nurse Practitioners and Physician Assistants.

Learning Objectives

After completing this activity, the learner will be able to:

- 1) List the common classes of opioid agonists and partial agonists;
- 2) Describe the pharmacokinetic basics of opioid agonists and partial agonists in the treatment of acute and chronic pain;
- 3) Explain the requirements for safe and effective use of opioids in acute and chronic pain.

Requirements to Receive Credit

In order to receive CE credit, the learner must register for the educational activity, study the provided journal article, complete the online learning self-assessment (post-test), complete the online course evaluation and print the certificate.
