## ***Pharmacology of Antiretrovirals in the Female Genital Tract for HIV Prevention***

November 2018 – *The Journal of Clinical Pharmacology (JCP)*

### ***Why is this article important to you?***

Learners that complete this course will be able to understand the factors that alter the mucosal pharmacology of the female genital tract and fate of antiretroviral drugs given at a particular time period.

### **ACPE Accreditation Statement**

The American College of Clinical Pharmacology is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

**UAN: 0238-0000-18-041-H02-P** – ACPE 1 Contact Hours

**Activity Type:** Knowledge-based **Format:** Home-study **Target Audience:** 'P'

**ACCME**  
ACCREDITED

### **ACCME Accreditation Statement**

The American College of Clinical Pharmacology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### **ACCME Designation Statement**

The Accreditation Council for Continuing Medical Education designates this journal CE activity for 1 *AMA PRA Category 1™* credit. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### **Target Audience**

Interprofessional team of Physicians, Pharmacists, PhDs, Nurse Practitioners and Physician Assistants.

### **Learning Objectives**

After completing this activity, the learner will be able to:

1. Classify the factors that influence the mucosal pharmacology of the female genital tract;
2. Define the role of various drug-metabolizing enzymes and transporters in regulating the local drug exposure;
3. Describe the mucosal pharmacology of antiretroviral drugs in the female genital tract;
4. List the factors determining the effectiveness of antiretroviral drugs at the site of HIV transmission.

### **Requirements to Receive Credit**

In order to receive CE credit, the learner must register for the educational activity, study the provided journal article, complete the online learning self-assessment (post-test), complete the online course evaluation and print the certificate.
